Old Folks' Home

Office of President
853 Pippin St.

Jacksonville, Fla., October 4th, 1911

Dear Friend:

We have the promise of One Hundred (\$100.00) Dollars provided we raise \$100.00 in thirty days. So we have formed a chain of 100 links; your name is a link, kindly give something towards raising this amount so as not to let your name break this chain. This effort is to enlarge the Old Folks' Home, so as to take in 20 more poor old people who are without shelter.

Respectfully,

Eartha M. M. White,

President
